Alexandria, VA 22314

RE: Bankrupt Newhart's Inc dba Foremost Appliances, Case 0713684

Your Honor,

It is my understanding that you are presiding over the above referenced case. We were advised that Foremost Appliances is in bankruptcy. We were further informed that the list of creditors does not include our name -- this despite the fact that Foremost Appliances charged us \$32,089.00 and never delivered any goods or services.

Enclosed is a copy of the contract between Foremost Appliances and ourselves. The first payment, for \$15,507.00, was made on February 27, 2007. The second amount, \$16,582.00, was charged on August 21, 2007.

Please note with regard to the second payment that Don Collins of Foremost Appliances never asked for our permission, nor did he give us any prior notice before charging our American Express account for \$16,582.00. We signed a contract with Stuart Kitchens on August 29, 2007 and called Foremost Appliances with regard to that -- only to find out that the entire amount had already been charged without our knowledge.

It is also noteworthy that we have never been advised about the bankruptcy action. We would like to make sure that our name is on the list of creditors. I have written separately to Mr. Gordon Peyton, copied on this letter, who, we were told acts as a Bankruptcy Trustee in this matter. We can be reached at: 703-757-0604 (home) or 703-850-3776 (Leila Koshkin's cell).

Thank you and best regards,

Yuri Koshkin

RE: Bankrupt Newhart's Inc dba Foremost, Case 0713684

Dear Mr. Peyton,

We were advised that Foremost Appliances is in bankruptcy. We were further informed that the list of creditors does not include our name -- this despite the fact that Foremost Appliances charged us \$32,089.00 and never delivered any goods or services.

Enclosed is a copy of the contract between Foremost Appliances and ourselves. First payment, for \$15,507.00, was made on February 27, 2007. The second amount, \$16,582.00, was charged on August 21, 2007.

Please note with regard to the second payment that Don Collins of Foremost Appliances never asked for our permission, nor did he give us any prior notice before charging our American Express account for \$16,582.00. We signed a contract with Stuart Kitchens on August 29, 2007 and called Foremost Appliances with regard to that -- only to find out that the entire amount had already been charged without our knowledge.

It is also noteworthy that we have never been advised about the bankruptcy action. We would like to make sure that our name is on the list of creditors. We would also want to be instructed as to the actions we need to take in this regard. We can be reached at: 703-757-0604 (home) or 703-850-3776 (Leila Koshkin's cell).

This letter is copied to Mr. Tom Gorman, Foremost Appliances' attorney, we were told.

Thank you and best regards,

Yuri Koshkin
